Berlin, April 15.—(Official.)—The Russian attempt with the army that took Przemyśl to invade Hungary has failed. The Russian attempts to get through Lopkowitz and East Duka Passes have failed, and the Russian attacks at Szetropko and Felsorbeburg have definitely ended. The Russians consequently are attacking further to the east, but here also they were repulsed near Kozlowa with heavy losses. The Russians' attacking strength has visibly weakened.

In North Poland the situation is unchanged. In the West, between the Meuse and the Moselle, there are only isolated engagements.

Several French attacks in other places failed.

**French Statement.**

Paris, April 15.—(Official.)—Near La Boisselle the French artillery completely wrecked German trenches and shelters.

In Argonne the French gained some advantage. French ascendancy over the Germans is growing.

In Alsace, north of La Lanza, the French gained somewhat.

London, April 15.—The total British casualties from the beginning of the war to April 11 were 139,347 men. It was announced in Parliament today. ### LIBERTY BELL TO EXPOSITION

Philadelphia Mayor and Aldermen  
Favor Movement to Take Relic  
Across Continent.

[By Associated Press.]

Philadelphia, Pa., April 15.—A determined effort will be made to pass an ordinance permitting the removal of the Liberty bell from Independence Hall to the Pennsylvania Building at the San Francisco Exposition, where it will be exhibited until the close of the fair.

Mayor Barckenberg and aldermanic leaders favor the movement. Heretofore the proposition has been opposed mainly by patriotic orders and by bodies of women who fear that the relic might be destroyed in a railroad wreck or some other accident. Now those favoring the exhibition have secured the support of Admiral Dewey and General Miles.

These distinguished officers argue that because of conditions in Europe, this is a good time to stir up patriotic sentiment among Americans and that nothing would have a greater influence in this direction than a trip across the continent of the bell which proclaimed liberty throughout the land 129 years ago.
